

How can you make a difference today?

Become a business sponsor! Sponsorships are wonderful opportunities for your business to show the world that you support community and unity. It also serves as marketing and advertising for your business and is tax deductible.

Why do we need sponsors?

The main tool of EASE is our Immersive Events. These events are free to the public or organizations that we visit, which means sometimes we are paying for the space and the events require a significant amount of materials. Some items can be cleaned and used again, but others are used and disposed of. We also have various educational materials that are being printed and distributed throughout the community at various events. Your sponsorship funds these events throughout the state of South Carolina and will help us create a world of accessibility for all people.

Sponsorship levels:

Bronze \$500: Name placement on all documentation and website for the year.

Silver \$750: Name placement on all documentation, online, and two tickets to gala.

Gold \$1000: Name placement on all documentation, online, and four tickets to gala.

Platinum \$2,500: Name placement on all documentation, online, shout-outs on social media, eight tickets to gala, and name mentioned in all advertising and marketing materials, and fundraising flyers.

Diamond \$5,000: Name placement on all documentation, online placement, shout outs on social media, plus 12 tickets to gala, and name mentioned in all advertising and marketing materials, and fundraising flyers.

** Please email your logo to easesouthcarolina@gmail.com for inclusion on our materials if you decide to join the cause!
